Willing to volunteer (on executive or at a book sale)? Yes No

Who are the Friends?

The Friends of the Oakville Public Library is a volunteer group. We're dedicated to increasing awareness of the library's programs and services. We work to enhance these services through various community events and fundraising activities. So far we have raised over \$410,000, mainly through the book sales we hold in the spring and fall.

Membership Benefits

- *Members Preview Night:* At the spring and fall book sales only members are allowed during the first night. You get first pick of the books.
- *Folio newsletter:* Twice a year we publish a newsletter to let everyone know how Oakville Public Library is using the funds we raise.
- *Event notices:* By joining our e-mail list, you'll always know when our sales are taking place and when we're holding events.
- *Volunteer:* Help out with the book sale or join the board. We're at work all year round.

Membership is annual from date of joining.

Membership information is confidential and will only be used for FOL events and membership.
